PROFILE

Video editor and producer with 15+ years creating narrative-driven content for political campaigns, national advocacy media, and broadcast television. Brings end-to-end strength in scripting, storyboarding, editing, motion design, and finishing, plus experience leading rapid-turnaround teams and managing high-volume production under tight deadlines.

EXPERIENCE

Contract Video Producer & Motion Graphics Designer | **Kepferle Productions** June 2026 - Present

- Produce and edit television, digital, and social advertising for political campaigns under tight election-cycle deadlines.
- Manage concurrent edits and rapid stakeholder feedback, including peak days with 5+ distinct videos revised and delivered.

Senior Video Editor | **Media Matters for America** 2016 - June 2026

- Led editorial and motion graphics output for a 2-5 person multimedia team on a news-driven, same-day production schedule.
- Owned the flagship donor sizzle reel; produced nationally televised original content and video evidence entered in the Alex Jones defamation trial.
- Partnered with researchers, writers, and leadership to translate complex topics into clear, engaging visual content.

Video Producer | **Media Matters for America** 2013 - 2016

- Produced investigative and breaking-news video for digital campaigns and social distribution.

Contract Video Producer & Motion Graphics Designer | **Lamson Media** 2012 - 2015

- Produced broadcast and digital advertising for national and state political campaigns under compressed deadlines.

Motion Graphics Artist & Producer | **Half Yard Productions** 2010 - 2012

- Created motion graphics, explainers, titles, and maps for How the States Got Their Shapes, Modern Marvels, and other History and Discovery programming.
